LIVINGSTONE

FROSK represents the material bent and shaped under the force of nature. A small twig fossilized in stone defies the laws of time, conferring a primordial and unique aesthetics to this radiating panel.

# Frosk

**Stone:**

- ~ white
- ~ coloured (see finishings table)
- ~ coloured in RAL scale

**Frame:**

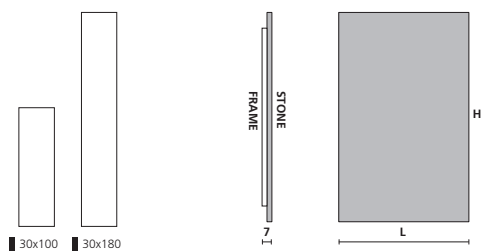

- ~ matt black as standard
- ~ Livingstone® colours (see finishings table) or RAL scale upon request
- ~ provided with brackets for an easy and quick installation
- ~ can be accessorised (see table in accessories section)

**Control panel:**

- ~ the electronic display is standard in the electric and hybrid versions.
- ~ positioned on the right side (on left side upon request with no surcharge)
- ~ programmable

~ In the hydronic version the radiator is manually controlled through your home thermostat.

ARTICLE	SIZE (LxH)	POWER	WHITE	COLOURED	RAL
