

# FOURSLIM BY ARCHITECTS

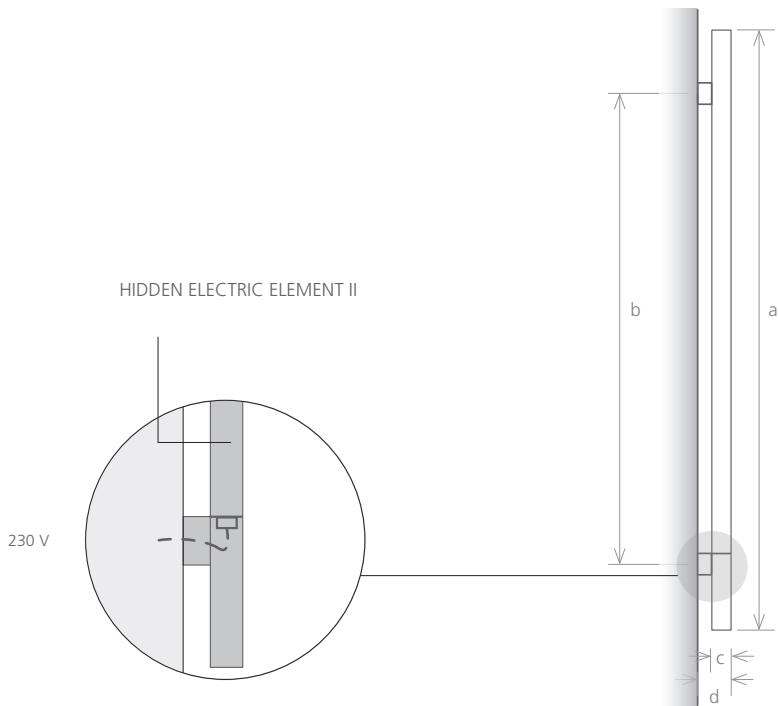

TOWEL WARMER

The towel warmer Fourslim was developed in collaboration with Manuel Aires Mateus' architect studio under the theme "less is more".

The Fourslim is a dry towels that can be used with two, three or more elements in the same bath space.

In central heating, electric or mixed versions, this radiator will provide a distinctive atmosphere.

Electric version: in the horizontal position the depth is 75mm.
